Director of Logistics  
Att: Chief, Building Planning Staff

1C50

Quarters Eye

The Director has requested my comment on the attached paper. Request that you prepare same without delay.

Two points concern me: (1) If my memory serves me correctly, the information which we obtained from the Army and the Atomic Energy Commission with regard to safe distances is not consistent with that in this memorandum; (2) Almost certainly this would not be the basis for requesting additional funds, since to my certain knowledge the Congress has in many instances taken a very dim view of appropriating money for
